What wonderful memories I have of Nancy. She was very intelligent and we had very interesting conversations. What fun we had in the 7th and 8th grade with overnight stays at the wonderful Shaweker cabin on St. Rt. 800, with Mary Jane as our chaperone. We had Halloween parties there, dancing with our dates to records, and eating glazed doughnuts with cider. A few years ago when she visited, I was able to get a key to the cabin (now owned by the "40 & 8" organization). She and I once again visited the property and re-lived all those old memories. I think she enjoyed that very much. Rest in peace dear old friend. Carol Moore Bambeck

Chris and Angelal read in the Columbus paper about your mom. We just wanted to let you know that we are thinking of you guys and hope that you are doing okay. Renea Dudley's son just asked her who her tallest friend was in high school and she texted me about your height....I said 6'5. Hope I was close! I know it's way taller than me! Praying for comfort and peace for you and your brothers and sisters. Love Meg and Curtis Nolting

Clare, Clark and family. just wanted to let you know how sorry we are and that even after everything has settled down you are still in my thoughts and prayers. the thing that impressed me about your Mom was how outgoing and nice she was even to surprise visitors in her house while living in Columbus. you are still in our prayers.
