The loss of a Dear family member is always sad, especially a Mother. To Anthony, Len, Frank, Marie and all dear members of Genevieve's Family from siblings to Grandchildren to everyone who had the privilege to know her and Love her she will be missed. I only had the opportunity to meet her on 1 occasion but I still remember how kind she was to me. Our thoughts are with the entire Cosimano family at this time and we know that Genevieve is in a better place now where there is no pain or suffering. Keep her memories close to you. Our Love Sheldon and Trina

We will never forget the first time we met you, when Gina was a baby and there was a little riding horse that needed to be assembled. Gen was there in the room and said to Adele, "let Uncle Bob put it together." We knew at that point in time, we were family. It was such a good feeling! And from that time on we enjoyed such a warm loving family connection. I'll always remember Gen's smile and her upbeat personality whenever we were all together. We have made so many memories to cherish! When they moved to Florida we were happy for them to be starting a new chapter but we missed being able to visit the way we used to, still the family always remained close at heart. Today we grieve from the tremendous loss and the family is in our hearts and prayers. We will miss everything about you, Gen and may you rest in eternal peace until we all meet again. In Love, friendship and deep sympathy, Lynn, Bob and Wyatt Kearns
