Linda and Family,We were surprised to hear from Suzy J., via Nancy S. from Mud Lake, of the turn in John's health in recent months.So it was with sadness, not shock that we felt, upon viewing the news of Johns passing, in The Toledo Blade, and following the link to find this more informing accounting.We truly empathize with your sense of loss Linda, -Mom passed 4/2011, (It still seems like such a short time ago), but we do know, that it was best for her. Though it sounds cliché, we know that they are in Greater hands now!We will make it through, with the company of many friends, and memories, as time passes. Dad has shared the sad news, with a few of his other fishing, and golfing, buddies, from The Lake.We have you, and your Family, in our Healing Thoughts and Prayers, Linda. Peace and Light!The Bob & Vi Duvall Family.
