Carol and I have been best friends for 52 years, or, at least until Jesus became her best friend. Her joy was so wonderful to behold that I was OK with giving up my ranking. We shared our lives so completely that my children truly believed that she was their Aunt Carol. She was my confidante, my faithful and trusted friend, and a surrogate mom to my children. She will always be remembered with love by all of us, including both of my brothers. She truly left the world a better place for having known her. I can think of few memories in my life in which she did not play a part and I will treasure forever the friendship we shared. "Friends are friends forever if the Lord's the Lord or them." Until we meet again, I will miss her greatly.c
