Dear Shirlee and family. Please except our sympathy on the loss of a wonderful man who always made everyone smile. Im sorry I am getting this message to you so late , Im not that good on the computer and don't check my messages that often. Fred and I were sad to hear he had cancer, we had no idea. Dave was such a fun loving man . I had told the kids about his passing and we all remember the fun times we had in Presque Isle at your lake home and also skiing. I hope you find comfort in all the great memories you had with Dave, your family, and friends. Our prayers are with you and your family at this difficult time. Love Diane, Fred and Family
