I had the privilege of knowing the Weber family through my high school years in Solon, Ohio. Lea and I were classmates/best friends. Mr. and Mrs. Weber welcomed me into their home and family. There was always something going on at the Weber house with both Mr. and Mrs. Weber involved in most of their kid's activities. With Mrs Weber working nights as a nurse and Mr. Weber having the day job, they kept it together because of their love for each other and their kids. I will always treasure those years I was able to be a part of the chaos, Lea and I did our share of creating some of it....two hormonal teenagers, but what little time I had with the family, Mike, Lea, Mark, Lynn and Laurel are the fortunate ones that had the parents who truly loved and respect each other.....what a legacy to pass on.Ma Weber, I am so sorry for your loss!Much love and prayers to you all!Jill MacDonald Kelly

I have so many memories of Charles, it's difficult to know where to begin. Charles was a loving, caring man who was always ready for whatever adventure Mary Kay had planned. The Felton & Weber clans go way back. I remember when the Weber's would come for a visit & one of the Weber kids would intentionally leave a valuable item behind so they would have to turn around & come back to pick it up. We were never quite ready to part ways!! I loved our picnics with corn on the cob & watermelon. Our pool parties were so cool that some of them were down right COLD!! Sincere sympathy for your loss, but what great memories & a wonderful legacy that Charles has left!! Love & prayers to all.Joyce (Felton) & Fuzzy LakeSurfside Beach, SC
