Dear beloved family of Naida Gay, my deep condolences for your loss. We are living in a time where we experience so much pain, suffering, and sorrow. Soon we can look forward to a time when these things will not exist. Isaiah 25:8 "He will swallow up death forever, and the Sovereign Lord Jehovah will wipe away the tears from all faces. The reproach of his people he will take away from all the earth, for Jehovah himself has spoken it." May the hope in this scripture bring you comfort and strength to endure the days ahead.

I lived next door to "Aunt" Naida and "Uncle" Fran for the first 21 years of my life and I have many happy memories of those years hanging out at the Gay's house. Naida was my godmother. We moved out of Granby, MA and to two different states, but she continued to keep in touch with my young family. She made beautiful afghans for each of our three children when they were born, which we still have—even though our kids are now young adults. Her Christmas card was always the first to arrive every holiday season with a neatly hand-written message (hardly anyone bothers to do that these days) and an open door invite to come visit Ocala. So sorry for your loss, Danny, Darryl, Donna and Diana. Our thoughts and prayers are with you. Hope that the happy memories of your mom will carry you through the coming weeks. We knew this lovely lady from the Lion's Club Bingo Hall. She always wore a smile and had a happy family with her. We could tell this because we heard the laughter. How special that must have been. We only know Diane and can say Naida reared a very special, happy and caring daughter. Our deepest condolences to the family. Your friends, Marlene & Fred Farris

She was a very special aunt. I was her flower girl 64 years ago. My daughter was born on her birthday God called her quietly to his side. May Diana, Donna, Darryl and Dan find peace in knowing how much she loved you all and that she is now resting in His arms Sending love and prayers. Wish I could be with you on August 1 to celebrate her life and share memories Cousin Perc

To Naida's family: It was my privilege and joy to know Naida for several years. She was a gentle, kindhearted soul who always had a smile and hug for all. Remember her with smiles and laughter as that's how she would remember us. If you can only remember her with tears, then don't remember her at all. The joy of remembering this precious lady and friend will always bring a smile to my face.

Naida and I visited almost every day. We would talk, play boggle and play with her dog Lexie. I loved her so much and will miss her. Thank God that I had the chance to know her.
