I'm Brenda your sister Audrey's daughter. I do faintly remember you from when I was 10 and younger. I am just now at 50 learning my heritage. My mother passed away in 1984 and since then we, my sister and i, were transported into a life where the past wasn't mentioned. There is so much and so many people we were deprived of knowing and loving. Your whole family aunts uncles cousins. I am so sorry I didn't know you. Please hug my mother, your sister, for me

Dear Chapman Family, We are so sorry for your loss. Shirley really took such great care of our Dad, and loved us kids so wonderfully. We Harbour girls enjoyed our visits with her at their home or at family gatherings. Dad didn't talk much, but Shirley was always so kind, friendly, and made us feel special. She will be missed, but we are so glad that she is free from pain and can do all the things she loves to do. Heaven is full of gardens and I'm sure she is enjoying every flower one by one. Praying for your family. Theresa Harbour Blizard

I love you mommy I'm sorry I was not able to be there for you , but I know you were here for me instead making sure I lived. Devoted great mother to the end. wish I could be half the person you are . Be with Bob and rest now , kiss Timmy for me . I will never let one day go bye without reminding my children what a wonderful grandma they had even they all know it and miss you . Our hearts are broken .

She loved her flowers. I'll never forget about the snake that fell from the tree onto the ground as she was gardening...yet...she carried on! And how she loved her Christmas displays...they were exquisite...and...she was exquisite. Beautiful.

Aunt Shirley was a special lady. Always had time for others. Always made it a point to stop in and visit my father when she was in Lockport.
