My deepest sympathies are with you all. My brother and I were so very fortunate to spend time with Uncle John and Aunt Nora through out our childhoods for that I will be forever grateful! I have so many memories I will always cherish! Uncle John was a man full of love for all I will never forget the love he had for me. One of my favorite memories was as a child he would call to check in on us and I would read him books on the phone he always had time to listen and i did not even know yet how to read! Thank you Joe, Mike, Flo, John, Sandy, and Willie for sharing your Dad with us! You are all in my mind heart thoughts and prayers. I pray that your great sorrow soon turns to happy memoriesMy Love to all of you!
