You will be so missed! I enjoyed our time talking over your blueberry & apple pancakes at the restaurant. Especially about your late wife who you adored so much. You two are finally reunited. I can see that smile on your face walking through those pearly gates to her. Love you dear friend. You will forever have a special place in my heart. Too blessed to be stressed.

I've known Brother Powell since I was a little girl when he pastored at Oxford Assembly. Nanette and I were inseparable. The Powell's were so good to our family and spent a lot of time with us. I'll always be thankful for the impact he's made on my life. He was a good man that I loved very much.
