Thanks so much Vicky. You already were so very helpful. Little did we know that would be the last time he was able to get out and about, and so many of the folks in the department made a point to come out see him. There has been such an outpouring of caring from several at the City of Eustis. Much appreciated.

Robin Layne posted:

I'm at a loss for words but I pray comfort, peace and good memories to carry you through the rest of your days without him.
