There is John, no beard. I served in Ireland and Charleston SC with John. Man the fishing we did, he never caught any, but we had a good time. If he saw a Gator it was time to leave. Good memories old friend, Good memories.

Johnny sat behind me in history class and would draw pictures and pass them up to me. He loved the mad magazine and would draw alot from them. He was fun and very talented artist. I hoped he would persuade a career with his drawing skills.
