I just received a phone call from my son, Blaine telling me that Sharon Kay had passed away. I am so sorry that I did not know before today, however I plan on attending the memorial service tomorrow. She was a beautiful daughter and I know how deeply this loss hurts. I wanted to let you and Phil know that I am praying for you both and all your family. We had a lot of good times together, especially the times that we took our children with us to the beach. Love, Floretta Fort Campbell

My deepest condolences to the Fore family for the loss of sweet Sharon Kay....she was always my little 'sister' back in the band days when we followed our guys, Ric and Kenny, on the road....we even joined them on their honeymoon! I will always remember that smile, and all of the laughs we shared during those days.... this special lady will always hold a place in my heart!
