I am sorry to hear of your loss. Todd and I worked on shift together when I was brand new to the "on shift" experience. He was great to work with and always was helpful, funny and made people feel at ease. God Bless, Terry Printz

Todd and I worked at Zion 22 for years, he was funny, professional. knew his job. The bust story was when Deb and him were watching tv and a snake came out of a heater duct. The story was the former owners of the house lost it and thought it was gone. He was a great guy, I enjoyed working with him, am sure he will be missed. His best saying was : Have a good day, unless you have other plans: I have used that many times. We have moved to Colorado Springs, CO. Deb if you ever in the area please call 847-840-7591 we can get together. I have a long list of people I want to talk to in haven he will be one of them, Deb take. John Huffman.
