I am so very sorry for your loss. Your mom would come to my room to talk when I taught third grade and always had a smile on her face and something interesting or uplifting to say. It made my day. She was loved and will be missed.

This makes me so very sad. I met April through my volunteering at Our Mother's Attic in Wildwood. It was an instant friendship. We often visited when she would come into the store. Although we never did anything socially, it was a respected friendship and connection whenever we would see each other. I will miss you girl. RIP dear April!

During this difficult time i would like to share with you a promise at Revelation21:4"and he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away."Soon death will be done away with and we will see our loved ones again. I hope God's promise will bring you some comfort during this hard time.
