Our deepest sympathy to Alice and Kathy. I have known Mr. and Mrs. Day since Kathy was born. They were our neighbors in Menasha and my mom cared for Kathy when she was a baby. As time went on, our paths passed frequently. English teacher, driver's ed. teacher, co-worker and friend of my dad, and finally my friend. The past couple of years I have had the pleasure of having lunch with Mr. and Mrs. Day at The Villages. He was a warm, kind, and gentle man and will be missed by many. Sue Bachhuber Werley

Deepest sympathies to the Day Family. My husband graduated from Menasha High School in 1968. We have been married for 48 years. Since I've known him and over the last five decades my husband has mentioned Mr. Day as being his favorite teacher (English). My husband did not enjoy school but he surely liked Mr. Day whose teaching style apparently made learning fun. Mrs. Richard Tietz

So sorry for your loss. I had Mr Day for a teacher at Menasha High. One entire week he decided to give the girls instructions on the basics of football. We all loved it and I think of him often when I am watching a game and I actually understand what is happening. Thank you to you all for sharing him with so many. Nancy Buss Tynan
