I hope you have a big kitchen in the sky. Rest In Peace. I'd like to share a story about Buddy and our daughter Kirby: When she was about two we were attending a cookout at him and Barbara's. He was playing around with Kirby, he made her trip on a root. She looked at him and gave him very mean look. Then said " Mean ole Buddy ! He laughed and said "Kirby you Buddy Clark looking young'un "(She has freckles too.)She " No I'm Not " and then both laughter and had a rib

Hey Buddy. When I first started to work for you I wasnt sure about it. You where one of a kind. I am so glad I had the opportunity to work for you and with you. U where always a face value person. One of the realist people I've ever met. May you rest in peace in the golden garden. You will always be missed.
