I met Cheryl at Mary's Bead Studio. Cheryl taught me how to bead and make beautiful bracelets. She was one of the most kind and friendliest person I've ever met. We became friends and would sit and bead together sometimes all day long along with Mary. Cheryl you will truly be missed by so many people. Thank you for being so kind and patient with me while learning to bead, I will never forget the fun times we had in that bead shop. We will meet again, my friend. ❤️

Cheryl was one of the sweetest most intelligent woman I've ever had the honor or knowing. I still smile when I think of one MI rally and sitting next to her watching the first bike light contest. Her comments had me laughing so hard I thought I was gonna need oxygen. So many wonderful memories of this woman. Prayers for Mike and family. May God give you all strength and comfort in the days to come.

My mother was the most selfless person I knew. It was a privilege to know her. She was loved by all and taken from us too soon. When god is in the garden what flower does he pick? The most beautiful one. She raised me strong and independent just like her and I will be forever grateful as the person I turned into because of her. Mom, I will talk to you very soon as I know you are with me I had a sign this morning. I would give anything to have you back on this earth. I love you forever and always.

My husband Rich and I have such wonderful memories riding with Cheryl and Mike with our Chapter A friends. They were also our neighbors and long time dear friends. It was such sad news to hear of her death. We are so sorry for her loss. Gail Phariss
