I will never forget the day we all were on a jobsite in the middle of Astor. Not even a store within 10 miles.... Scotty spots a Schwans truck on the next road over. He dashes over for a menu, comes back almost delirious in hunger and goes back to buy a 12 pk of chocolate chip ice cream cookies in the middle of the summer! Well the rest except for two was history.... R.I.P. Bro, as this was way too early.
