Brian and Faye have always been loving supportive people. When he had his shop in Avon Park my master cylinder had gone out on my brakes. I didn't have money to repair. They allowed me the repair on credit. I have always been thankful for their kindness. Thank you Brian and Faye. It saddens me to find out he is no longer with Faye. I have faith he is with our Lord and Savior Jesus.

I admired Brian's kindness, humility and sense of humor. Whenever he came to church he would always have a funny comment to say to my husband Dean about his head/hair and both would be cracking up with laughter. May you all find comfort in the Apostle Paul's words....to be absent in the body, is to be present with the Lord. Brian is just gone ahead. Faye, may God's peace be upon you all. Dean, Grace & family love you all.
