I met Dan when I first started with the Milwaukee VA back in February 2009. He was always smiling, telling jokes, and making everyone in our division feeling good and took his job very seriously. Dan & I hit it off right from the start and he taught me a thing or two about our jobs. I sure missed Dan when he announced he was retiring and moving to Florida. I'm sure he enjoyed himself while living there. Dan, You're sadly missed...Farewell my friend!
