Sure miss this guy. We go back many years with the same Company. Eventually Russ worked his way up to our supervisor and you couldn't ask for a better boss. He was fair and told it like it was. Always knew where he stood.. I know our other great friend, Dick Dillenbeck, shares this. Nancy God Bless. You were a super care-giver. You made it so much more comfortable for Russ. Pleas keep in touch. You both are in my prayers
