James lit a candle in honor of Lidia.

My Grandma always said, "live one day at a time and stay close to God." I will surely miss her and I do know if I live by this then I will see her again.

One of my fondest memories was Miss Lydia, getting up at two in the morning, to fix us all breakfast! She would put a spread on the table. My other most fondest memory of Miss Lydia was not remembering me, but remembering my husband as her boyfriend! I always let her know she was the only one I would share him with, and she would always give me a big, beautiful smile! I will miss her so much and it was a pleasure to be her friend. Beautiful lady.

I'll always have fun memories of Miss Lydia's dance partner! At 91 she was dancing with me at Terry Gene's wedding! She was a flirt. I liked being her boyfriend. she was a very funny lady, and very beautiful. Will miss her dearly.

Grandma always wanted to try on all my reading glasses. I will miss her smile, positive words and her amazing oven baked spaghetti. I love you, Grandma. I'm a little jealous that you're with Jesus. I will see you again. ❤️
