# Larry Jennings Pilch

OCT 27, 1947 - AUG 6, 2023

**P**ilch, Larry J. passed away early Sunday morning August 6, 2023. He is survived by his wife Maryann Pilch. He is also survived by 9 children, 26 grandchildren, and 8 great grandchildren. He is also survived by his sister, Karen Stynoski and several nieces and nephews.

He had the best friend of a lifetime named Steve Cszasz otherwise known as "Burt." They grew up together and were brought together through their moms. They rode around the country on their Harleys together as far as Florida to Sturgis.

He served honorably in the Vietnam War. He was not only a father, but a role model for his family.

He was unfortunately one of many Vietnam Veterans exposed to Agent Orange and experienced great injustice in this, which will always be recognized not only by his family but by the country.

He was a true lover of animals. He mostly had dogs throughout his life and the most recent ones are Rhino and Bull. He also had a bird, Knucklehead. He was always ready to help someone if they needed help. He will be truly missed by his people and his animals.

When you walked into his house, you knew that it was his house and that he was a fun guy. He had so many gadgets and gizmos that represented who he was and how he went about his life. You can learn so much about him just from being in his home. He collected anything that was of machinery. Vintage cars, motorcycles, and hot wheels. He also collected Vietnam Veteran hats, so many that each of his kids could all have one. His favorite motorcycle is a Harley Davidson and he enjoyed riding it very much.

He spoke the word of God which was very compelling and influential on his kids. He spent his final days with his daughter, Sondra, in which who was present and by his side till the very end. My great aunt, Karen and I are very proud to have written this, God rest Larry Jennings Pilch's soul.

I will forever cherish the countless memories I shared with my father, a true adrenaline junkie whose adventurous spirit lives on within me. We embraced the ultimate rush together - bungee jumping, skydiving, and more. These thrilling experiences forged an unbreakable bond, and his unwavering confidence helped me conquer my fear of heights. Our mutual love for Pink Floyd became a cherished tradition passed down through generations. From my childhood to my own children, the music of Pink Floyd has been a constant source of connection, honoring my father's memory. Distance and geography never hindered our relationship. Day or night, I knew I could call upon my father for support without judgment. His love was unconditional and his selfless support unwavering. As a child, his infectious laughter filled our home, attracting a multitude of friends. Our door was always open, and he even built a treehouse for us and the neighborhood kids to enjoy. The simple gesture of leaving a Snickers candy bar on the table after work became a heartwarming tradition between us. It's the little things that hold deep meaning. Baseball was my father's passion, and he remained a loyal fan of the Chicago White Sox throughout his life. He was a Vietnam Veteran who proudly wore his veteran hats, a symbol of honor and sacrifice. Whenever he ventured out in public, people would often take a moment to express their gratitude for his service. The attention he received brought him immense joy, as it made him feel appreciated for the sacrifices he had made. I will always remember and cherish his unwavering commitment to our nation. His service and his legacy of bravery and selflessness are truly inspiring. My father found solace in watching Charles Stanley's sermons on TV. He instilled in me the importance of faith by taking me to church on Sundays and practicing the act of giving, regardless of his financial circumstances. My father's Bible held a special place in his heart. In closing, I would like to share one of my father's favorite Bible verses, found within the pages of his Holy Bible, signed by Charles Stanley, it is Isaiah 41:10: 'Fear not, for I am with you; Be not dismayed, for I am your God. I will strengthen you, Yes, I will help you, I will uphold you with My righteous right hand.' Rest in peace, dear father, knowing that your love and memories will forever be etched in our hearts. I
