I just wanted to say privately to her family....I think she talked about every single one of you and loved you all so much. Pat was such an amazing woman!! She was loved by just about everybody at GNC. I remember I had only worked for GNC for like a week and she reached out to me from another store and from that moment on we bonded. I had not seen her in a year because I moved to Orlando and now back to Michigan but I have always had the picture she took of her and i out and always thought of her daily. I was hoping to make it down to Florida this month to see her but didnt make it in time. I'm hoping she got all my text messages though. I loved Pat just like she was my Mom....we used to joke that she was my Florida Mom. Pat was such an awesome person. She will be missed very much but someday we will all go to heaven and be able to be with her again. Keith she loved you so much!!!##imported-begin##Lisa Graham##imported-end##

To Keith, Pat's son and her family. By working at the mall with Pam it became obvious day after day how capable, kind, funny and very generous she was. She always talked about her family and loved all of them alot. I know understanding the timing of this loss is impossible, but one day she will be reunited with you, and not separated ever again. My heart goes out to Keith especially and all those who will miss her so much. With deep sympathy, Peggy Fuller##imported-begin##Peggy Fuller##imported-end##
