I worked with Mrs. Lowry at Leesburg General when I began my nursing employment. She was a mentor to me and a friend. She always had a big smile and greeting over the years when I met her by chance at a nursing class. My sympathy goes to the family that was always apart of her life. I remember her talking about Archie playing football and how she would be there to cheer him on. I have a conflict so may not be able to attend the funeral. May God Bless and Comfort you all, Alice Evans##imported-begin##Alice Evans##imported-end##
