My deepest condolences. I have know Dagmar and her parents for over 50 years! Our fathers served in the army together and we were often stationed at the same places. I remember many fun times together. Bill was a good father. He was pretty laid back and always a kind man. We enjoyed many birthdays and holidays together over the years both in Germany and in Ky. I remember the families first dog, Lollipop! What a cutie and so much fun!Bill will be missed!##imported-begin##Lola Sausser##imported-end##
