I was sorry to hear of Harry's passing, he was the sole reason for my parents being drawn to Continental and buying there. He was a good friend to my dad and remained a friend to the rest of the family after dad died. He was always critical of my golfing but with a good intention and a good heart, I will miss his quick wit and brash nature , that was just his way he called it like he saw it, and I admired that in him. My sincere condolences to all of the family on your loss. Art Banker###imported-begin###Arthur D. Banker###imported-end###
