My best friend, my confidant, my "big " brother. Always ready to tell me a story about something in your past. Can't even begin to count the number of heart to heart chats we have had over the 20+ years of friendship. You are missed so much. You were always there for me and the girls. I know you will watch over us all I love you "kiddo "###imported-begin###cindy###imported-end###

To all friends and family, Cyrus left all of us early. I will remember his intelligence and great humor. I was honored to have known him. Cyrus thank you for the jazz collection...I will never forget you. Your friend and favorite Cab driver, Eric Smith###imported-begin###Eric Smith###imported-end###
