It didn't matter if I called you Ellis or Dad , they both meant the same. For almost 40 years you were there when I needed you. Just as I was there when you needed me. I know you are happy to be reunited with Mom, but we sure miss you. Love you forever... until we meet again.##imported-begin##Cathy Eaton##imported-end##

Dear Ellis...Thank you for being our friend these many years, thank you for your being there last April when my father Roy Chesterfield passed away. It meant alot that you, Corine and Joy made that final trip to be with Dad. I will always remember you and Corine on your visits to us here in Illinois. We always had fun. You lived a good life. You did the work of two men. You had a gift of humor that made those around you feel good in your presence. We will always remember you.Rest in peace my friend..
