I was lucky to have met this wonderful lady. She was a good friend, and had an outstanding personality and sense of humor. Fun always seemed to have followed her, and she was the "Belle" of the ball. She touched so many lives and will be deeply missed!##imported-begin##Shirley Araujo##imported-end##

I am so sorry to hear about "Renie". I was in school and graduated with her (Class of 80) and hung around her out at the lake and at the gas station. She was always funny and fun to be around. The biggest memory I have of Renie was the time that 4 of us were at the outlet bridge, teaching each other dance moves when a County Deputy pulled up. The Deputy ran our names and from then on that Deputy and the other that was at the lake used to joke with us about giving "dance lessons".....I am so sorry for your loss and wish I could be there. Several of us from the Class of 80 will be wearing red tomorrow in Renie's memory. She will never be forgotten. LORI##imported-begin##Lori Marable##imported-end##
