Kathy was a beautiful, God loving woman. We share a beautiful granddaughter and shared a wonderful friendship as a result. I will miss her emails, phone calls, and words of cheer. She is in a better place, and is now with her son who she missed so terribly all these years. She is at peace, with no more worries. I will do my best to take care of Payton, and pray she will turn out to be the granddaughter you would have been proud of. We will miss you Kathy.##imported-begin##Karen Gan##imported-end##

Kathy was such a wonderful and loving person. We knew her and Smitty when they worked at JAARS at Waxhaw NC. I never saw her down and was always ready to help others. I can remember her on her little moped riding to work. She will be missed but now she is with the Lord and her son. The Bible tells us one day we will see her again in heaven and with this promise we can let her go to the Lord as He has her in His hands, and no more pain! We will miss your love and caring Kathy, Thanks for being our friend. Jan & Jim##imported-begin##Jim & Janice Pepper##imported-end##

Kathy was always looking for some nice thing to do for someone. She had a big heart to do what she could to make someone's day happy. She always tried to be happy about whatever the situation she was in and to make the best out of her time she had on this earth. She knew she could leave this world anytime and knew God kept her and gave her all she needed each day. She was a precious woman that put her trust in God, loved and stood by her hubby and worked at making many friends, she loved. I pray God will keep you, Smitty, in His grip and put His people around you to bless you and encourage you through the coming days.##imported-begin##Donna Gammon##imported-end##

I graduated from high school with Kathy in 1966 we did know each other in school but lost touch until facebook came along. Kathy and I talked through the internet for sometime then some of our classmates decide to have a Florida class reunion in March of 2012. Kathy and Smitty couldn't wait to meet everyone but Kathy took ill and couldn't make it. Another classmate and I decide to visit her in the hospital. We went to the hospital met with Kathy and her husband Smitty (very nice man) had a good visit and she got to look at our high school yearbook. All I can say is thank God I got to see her for one last time and meet her husband. Rest in peace Kathy. Your friend and classmate.

Dear Smitty & Kathy, We were so sorry to hear that Kathy died, especially as we were going to ring her on her birthday. You guys were so nice to me in NC and took good care of me with genuine love, compassion and generosity. You made me feel so welcome and valued. For that you'll always have a special place in my heart. Kathy is at peace now, free from all those health problems and enjoying God's heaven. We'll meet again someday. -Ian##imported-begin##Ian Nesbitt##imported-end##
