Chrissy, your mother must have been an amazing woman. To be director of nursing at Dover General "back in the day" must have been ground breaking, as was serving our country as a nurse in our armed forces...and she raised a wonderful daughter, too. I wish you peace and many happy memories to comfort you at this sad time. My thoughts and prayers are with you and your family. Love, Kim###imported-begin##Kim Hillier Kaminski###imported-end##
