Junetaylor727 sent a virtual gift in honor of Gladys.

Was a wonderful mother whom I owe so much to. Ma taught me so many things such as cooking, sewing, and caring for my children when they were babies. We have so many memories and I deeply cherish all of the time we spent just talking for long periods of time about life. Although I know you are in heaven with dad, I'll miss you forever. I love you ma. June Taylor

June Taylor lit a candle in honor of Gladys.

Mom was the best mom ever. She was always there for me. We loved to do crafts together and so much more. She taught me so many things such as crocheting, sewing, making bread, corn bread stuffing as well as so many other dishes, and being kind and caring. I love you mom and will always keep you close in my heart. Until I see you again, give my love to dad who is always with me and loved and missed dearly. Thank you mom for the 54 years you've given me life and love.
