We know that our Uncle Marty's loss will be deeply felt by those closest to him. My heart goes out to our family members and we are sending love and strength to everyone grieving his passing. He was the last living sibling of eight Snader children. We found a picture of the 5 brother's from a wedding of his older brother from 1951 (Uncle Marty is the second from the left). May his memory live on in all the wonderful stories and moments shared by those who knew him best. Rest in peace, Uncle Marty. With love to our east coast family - Rich, Julie, Brooke, and Camille Snader

Our heartfelt condolences to the Snader family. Rita and I anyways enjoyed spending time with Marty and Judy when they came to South Florida to visit. Anyone who knew Marty experienced how energetic, positive, and full of life he was. He always had a good story to tell, and he was such a kind, sweet man. We were always amazed how "with it" he was, and that he still played golf and had a full, fun life. And he and Judy were obviously still in love, sharing meals and doting on each other. An inspirational marriage, for sure. We know Marty be sorely missed by everyone whose lives he touched. He lived a long time, yet he left us so suddenly. Rest in peace, Marty. We miss you already.
