Peggy Wood posted:

With deepest sympathy to the Terry family: I feel honored to have had the chance to coach Jimmy in football and weight lifting while he was in high school. He was one of the toughest players on the team, and one of those people that you could always count on. He was also the strongest guy in school, and could bench press over 300 pounds. He was one of those people that everyone liked to be around. I was proud of Jimmy, and know his family was proud of him with the great career that he had at the Sheriff's department. I know that he will be missed by his family, and everyone that knew him. There will only be one Jimmy Terry. Sincerely, Mike Wood
