It is difficult to share only a memory of Carol. She, and Larry when he was alive, were our next door neighbors. They were always ready to help. I remember one evening when Gail, my wife at the time before she passed, had fallen and I called them in the fairly late evening to help me pick Gail up off the floor. I remember another time when when Carol had to come over to help me treat a wound that would not stop bleeding. And i remember how Carol was to quick to become a friend to my wife, Shirley, after Gail passed. She was always there if needed. Carol was special. Although we will miss her we are glad to know that she sincerely knew the Lord and we are confident that she is now with Him in eternity, waiting for her loved ones to join her. Shirley and I loved Carol and will miss her. She was a great nurse, seamstress, and friend. Our prayers are with her family hoping all know or will come to know the Lord Jesus Christ and the peace and comfort He gives, peace and comfort Carol had. Please accept our condolences with love, Mr. and Mrs. Fred and Shirley Brown
