Her obituary left out her best friend of 55 years Carol M. Who had she not been suffering health problems would've been right beside carol lee 🙏 Carol lee took care of my aunt and was her best friend for over half a century! She bought my aunt a house after she lost hers, she always cared and loved my aunt carol like a sister, had she known she would've passed before my aunt things would've been done differently ☐☐ she will be missed as she was a great woman with an amazing heart!
