My thoughts and prayers are with the family. Susie and I grew up together , we used to have coffee at her Mom and Dad's house then we would play on the piano and ride around in her Dad's truck in the pasture and listen to music. We had a lot of great times even after we grew up I will miss her for sure. Susie always had a smile and was kind to everyone ❤️

Susie always had the sweetest smile and a warm hug to go along with it. She was a Christian lady and represented Jesus. I can't wait to see her again. Heaven is surely sounding sweeter all the time.

Aunt Susie is a prominent memory from my childhood. Every trip to Howie on the Hills visiting Grandpa Leonhardt meant we'd spend time with her and the family. She had the most welcoming presence, laugh and smile. Every memory is a joy. My only regret is I don't have new memories. My love to each and everyone of you.
