I selected a white candle because Doug is a white cowboy hat kind of guy. Honest and loving. He loves Daphne and boys with a true love few families experience - a never ending love. Doug lives on through all of us because we all knew he could be trusted. Trusted to love Daphne. Trusted to be a great father. Trusted to be true friend. He was a man of his word. I grew to love Doug because my cousin loved him and because he was a white cowboy hat kind of guy.
