Aunt Lannie was a truly special person whose warmth and kindness touched everyone who knew her. She had a way of making people feel instantly welcomed and loved, with her gentle smile and open heart. Her presence brought comfort and joy, and her memory continues to shine brightly in the lives of those she left behind. The love she gave so freely will never be forgotten. I will always hold the memories of her and uncle Greg close to my heart.

Landi, I am so saddened for you. All mothers are special, but you were blessed with a one of a kind! Your mother was a part of some of my best teenage years and she along with your Aunt Lisa and Aunt Candy will always have a special place in my heart. Lisa, it goes without saying you, Lannie and Candy were sisters to Angie and me. My heart grieves for you. I know firsthand that only God can give us the strength we need to keep going after enduring the pain you have been through losing the people most dear to you. We love both of you and your families and will be praying for all of you. Gordon and Linda Tillman

I'm so sad Lannie is no longer here on this earth with us, but thankful for the sweet memories that I'll cherish forever. I had the privilege to grow up with Lannie, Lisa and Candy in the best time and place in what I now call " Old Oxford". Ms. Liz always made me feel welcome in her home. I'm reminded of the song " You can't make Old Friends". No better words could describe Lannie. Praying for Landi during this time for The Lord to give her the strength she needs to get through now and the days to come.
