Some people touch our lives, and we remember them always. Jerry and Shaun attended Grace Tabernacle with us. When my granddaughter moved here from California, she was about 8 months old. She attended church with her parents and us. We were so blessed to know and love Jerry and Shaun. Jerry would take Kayli, hold her in his arms, and walk around the church with his red wagon and the younger children during worship. This was Jerry's special ministry. Kayli would happily go with Jerry and sit on Shaun's lap. Kayli is now 10 years old and still has memories of them. Their love and kindness were evident in all they did. We are so grateful that we knew them, and they were part of our church and our lives.

So many memories! She and her sister Betty Jo came to our home for Bus Ministry when I was a 16 year old girl in 1974. Encouraging me to come to church. My mother already was attending but I had just came to live with her after our 6 yr separation. I loved them both and over the years I watched my mother and these two ladies become the closest of friends! After my mother's death in 2001, both of these ladies reached out to fill the mentorship role for me. Shawn was always so very positive and loved the Lord. She truly loved Her husband Mr Jerry and her son Roger. She was so excited to have her first girl, her daughter in love Lahtana. I miss her 😊 and she will be missed by many! But oh the joy that filled so many souls when she arrived in heaven!
