My Dad, My Buddy, My Idol, My Pal. The last 7 years I really got to know him, But the last 4 years we were actually friends! It was always a competition fishing, throwing horse shoes, "whatever", I could feel his love for once in my life, through the good & the bad, I knew he was there. I still feel him with me. We had such good times out on the boat, fishing, gathering oysters, gigging flounder. He loved life in the last few years and it showed. He loved his children & grandchildren & greatgrandchildren even though not seeing them alot of times. I miss you, Dad. I can only imagine you are with all those we've lost. We miss you all. I'll see you Dad someday. Till then I Love You! I Miss You:Your Girl

I will always love you Bubba! He's my Gator Baby all the way. This is his favorite toy. We have had so much fun terrorizing the neighborhood on this cart and he enjoyed every moment he spent on it. Now he can tell all the other Angels up there what a Gator Cart is all about and how fast it runs on the road, even though we were not supposed to be on the road. But he had to try it anyway!Thanks for the best three and a half years of my entire life. Until we meet again I have all the beautiful memories of our sunsets and sunrises and times on the water. I will love you forever Baby and there will never be another. I can say I have now have the best ever! Thank you for that! Love always Special Angel. I sure do miss you and I know you are watching over me. Keep smiling Angel and No Flirting! Love Always Your Baby, Sara
