Debbie - I've always described Andre as a gentle giant. He had a heart as big as himself, always caring, always giving. You and Andre were two of the first people to open your hearts and home to us. He will be greatly missed. Praying that God will wrap his arms of love and comfort around you during this difficult time.

Love, Joe & Linda Gregg

What a guy. Andre could make anyone feel at ease, he was kind, caring and brilliant. He cared for people and it showed. God has him in his home now, to share his caring and love with others there...Now Andre can rest, rejoice and walk daily with our Lord and Saviour. How precious is that. His life will forever be in many heart and minds of those who ever met him or spent any time with him. Andre, your work here is done, relax with your Jesus and thank you for being a real man.
