“ Sandy and family,
I am sorry for your loss. I have good memories of Curt playing Mexican Train with our group. He welcomed me into the group when I was a newbie. He also had a sweet tooth and I enjoyed bringing bake goods once in awhile because I knew I could count on him taking some along with you know who. Take comfort in knowing that there were many people he probably touched throughout his life because I know I enjoyed getting to know him.

“ We are very sorry for your loss. Curt has been and will be missed by the many friends and players of the Thursday night Mexican Train group. I am sure they will be much saddened by the news when I relay it to them this week. We are glad to have known him and to have shared fun and laughter with him.. His Mexican Train Pals

“ Dear Sandra and girls, we are so sorry to learn about Curt's passing. We have very fond memories of our time as neighbors in Bon Ayre and especially CYO coaching and reffing. And especially of being his tennis partner in a mixed double Hercules group.

“ Megan, Julie and Sandy,
We are so sorry to learn about Curt's passing. Curt was often in our thoughts even though they had moved away to the Villages. We have wonderful memories of bridge games where he always provided much guidance to all. And of course there was the basketball coaching which our kids will never forget.

“ Dear Sandy,
Our heart goes out to you and your family at this difficult time. Our backyard hasn't felt quite the same since you and Curt moved away. Peg and I often look over into your yard and

think back to those wonderful times we had playing volleyball under the lights. We can almost hear the cheers and boos. We miss those times.

May God be with you as you say goodbye to Curt and move into yet another chapter in your life.

Our love, Lynn and Peggy Keene
