“ It was precious to get to know Pinki the last year or so. Her sister, Ester, is my best friend. We would meet at Avante while I was visiting my ex and Ester was visiting Pinki. We each would visit both loved ones and I would often visit Pinki when visiting Jim even if Ester wasn't there. Pinki loved life. She “scooted” around that nursing home cheering up others. She used her electric cart to travel the neighborhood, often bringing back a hibiscus flower for other residents who weren't so mobile. Love and blessings to all who knew and loved Pinki. “ Jason & Laurel Jennings, first of all, I want to say that I am so sorry for your loss and I pray for peace and comfort for you and our family. Second and most important, I want to thank you both for all that you did and are continuing to do for my sister. I know that it was not always easy and at times extremely difficult but y'all were ALWAYS there for her for anything and for that I will be eternally thankful. Love you both, Aunt Ester

“ Pinki, I will so miss our visits, memories and laughter we shared. You always had an encouraging word for me, no matter how bad you might have been feeling. And I know, by the comments of staff and residents around you that you did the same for them as well. Even though I am missing you so much right now, I am so thankful that you are no longer suffering here and you are in the arms of Jesus with Joy unspeakable!

So, I will say to you the words that you would always say to me, Bye for now.

Your loving sister, Ester
