“ Mr. Bridgewater, Bobby, Ruthie And Jimmy,
I was so shocked when my brother Jim called and told about Mrs. Bridgewaters passing. I have been getting a package together for you all of things my Mom had saved from your Mom all these years. I had planned on sending it with a thank you to her and your Dad for their kindness to us after our Mom's recent passing, and Dads eleven years ago. In talking with my daughter today, I find that Bobby lives less than an hour from her in Andalusia Al. She was here last week and could have brought it to you in person. Would very much to to see and talk to you all once again. Please contact me.
Your are very much in my prayers and thoughts!
